93% of respondents - V Encuentro process has strengthened their ability to respond as missionary disciples to Hispanics/Latinos in the peripheries
The V Encuentro Continues
A need for a model of church that is more welcoming, missionary to the peripheries and builds community through ecclesial integration, not cultural assimilation
A great disposition to engage in formation and leadership development

An urgent need for the Church to invest in Hispanic/Latino emerging leaders
Identification of best practices in parish and diocesan ministry among Hispanics/Latinos

Increase of parish and diocesan interculturally competent staff and teachers in Catholic schools and seminaries
Most Significant Recommendations

1. Leadership development and formation of Hispanic young adults and those working with Hispanic youth and young adults, including 2\textsuperscript{nd} and 3\textsuperscript{rd} generations
Parishes and ecclesial movements getting more involved and providing accompaniment to families, so that they can flourish in faith, education, health, economic development and civic responsibility.
3) Renewed advocacy and solidarity efforts for new immigrants and their families suffering persecution, discrimination and separation
4. Promote a model of leadership and ministry based on an encounter with Christ, missionary discipleship and intercultural competency
5. New pathways and methods for parents to be better formed, involved, and equipped with excellent materials to transmit the faith, including family-based catechesis with a strong scriptural foundation.
6) Offer solid formation for all ages on the sacrament of marriage and family life
Emerging National Initiatives

2019-2020

1. Leadership development initiative for Hispanic young adults and those working with youth and young adults

2. Parish-based leadership and human development models and materials for families, with a strong biblical and evangelizing catechetical component that connects linguistically and culturally to the experience of the Hispanic/Latino community

3. Pastoral guidelines and best practices for parish and diocesan ministry among Hispanics/Latinos
